

# Open Up for Us the Gates of Heaven

Based on Psalm 118 and 1 Peter 1:20

Words & Music by Candace Sutter

Oh Holy One of Israel open our hearts for worship

Oh Highest Glory of the earth, may You call upon our names to hear Your Word

Lord, Jesus, Teacher of all nations, You were the Called the Flowering Vine

You were given as the sacrificed Lamb, who conquered sin and death while we're to blame

Open up for us the gates of heaven

Open up for us the gates of righteousness

Open up the arms of Your holiness

We will give You praise!

Oh Temple, Rock and Cornerstone, You give us strength and mercy

You are God and we will give You thanks and shout for joy and victory on high!

Open up for us the gates of heaven

Open up for us the gates of righteousness

Open up the arms of Your holiness

We will give You praise! We will give You praise!

Open up for us the gates of heaven

Open up for us the gates of righteousness

Open up the arms of Your holiness

We will give You praise!

Open up for us the gates of heaven

Open up for us the gates of righteousness

Open up the arms of Your holiness

We will give You praise! We will give You praise!
