

LILA AMMONS

Genealogy

Lila Ammons is a versatile and engaging singer who has forged a path in music that honors tradition and her own expressive impulses. Beginning her vocal career in opera houses and concert halls, she later returned to her roots in jazz and the classic blues tradition. For the past several years she has gained popular and critical acclaim touring Europe, Great Britain and Brazil with German pianist Axel Zwingenberger, and as feature vocalist with the ABC&D of Boogie Woogie Quartet with Zwingenberger and Charlie Watts, singing classic blues, boogie boogie and jazz. Through recordings and live performances alike, Ammons continues to attract new audiences with her nuanced vocal jazz narratives, a respect for past, present and future jazz idioms, and an unpredictability that delights.

“Lila Ammons is heard in top form throughout GENEALOGY.” - **Scott Yanow**

"Not all legacies live up to their heritage, but Lila Ammons stands tall with the likes of Ravi Coltrane, John Pizzarelli and Marcus Gilmore. Granddaughter of Albert Ammons and niece of Gene Ammons, on her recording, NEARNESS OF YOU, Lila engages the listener with a classic sense of time, inventive phrasing, spot-on intonation, and emotive storytelling.”
